DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on February 5, 2009 has been entered.

Status of Claims

2. Claims 1, 3-7, 25, 26, 30-33 are currently pending. The rejections are as stated below.

Allowable Subject Matter

3. Claims 1, 3-7, 25, 26 and 30-33 are allowed.

4. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach a method using a computer of financing an asset management firm, where a revenue share interest is received for a predetermined period of time, no ownership interest is received during the predetermined period of time, no debt is used, and the revenue share is evaluated by a computer using a probabilistic analytical model. See Applicant's arguments filed February 5, 2009. No prior art of record, either alone or in combination teaches these claim limitations, and no prior art can be reasonably combined to teach these features.

The references "Recent Advances in Future-Flow Securitization" and "Securitization of Life Insurance Assets and Liabilities" are cited is cited for their teachings of receiving future revenue streams through securitization.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
